EXPERIENCE

Self Employed — Independent radio/podcast producer

JULY 2017- PRESENT

I work on a variety of podcasts in Austin and around the country. I have experience in narrative journalism, storytelling, live shows, interview, and round table style shows. My duties include:

- Writing script to match hosts voice and vision.
- Music licensing and/or original score coordination with composer.
- Audio Editing in Adobe Audition.
- Tape syncing for out of town productions and/or coordinating tape syncs
- Assisting with marketing and distribution
- Booking guests, doing pre-interviews, and providing research and questions for hosts.
- Editorial oversight of story, interview direction, and show segments.

SPiN Austin — Community & Culture Manager

JULY 2018- JANUARY 2019

SPiN Austin is a downtown ping pong social club with a full bar and kitchen. With locations across North American, Austin is the 7th location for the organization.

- Oversaw general customer service with an eye for surprise and delight.
- Responded to all online reviews and onsite customer needs.
- Developed partnerships with local clubs, nonprofits, businesses, and brands.
- Create unique and interesting in-venue events to bring in new customers and make unforgettable experiences for the fans.
- Worked to raise revenue on nights with programming to increase overall profitability of the location.
- Managed talent for the venue including booking entertainment, vendors, and other activations.
- Produced the clubs seasonal social league programming including scheduling all matches, coordinating prizes and bonus rounds, and organizing special events for members.

Keep Austin Beautiful — Director of Community Engagement

JUNE 2014- MAY 2018

Keep Austin Beautiful is a large local nonprofit focused on providing resources and education to create more beautiful communities.

- Developed social media management systems resulting in an average of 25% annual growth in audience reach and engagement.
- Pitched programming to corporate leads and current donors to develop programs and branding partnerships resulting in an additional \$28K in revenue.
- Managed a team of six people, overseeing program metrics, goal setting, and grant requirements.
- Managed programmatic budgets including purchasing plans and allocation.
- Developed strategic marketing plans for flagship organizational programming resulting in 20% higher content engagement.
- Managed all major outreach and fundraising events, resulting in a 150% increase in revenue at annual fundraiser.
