

Art Seen Alliance

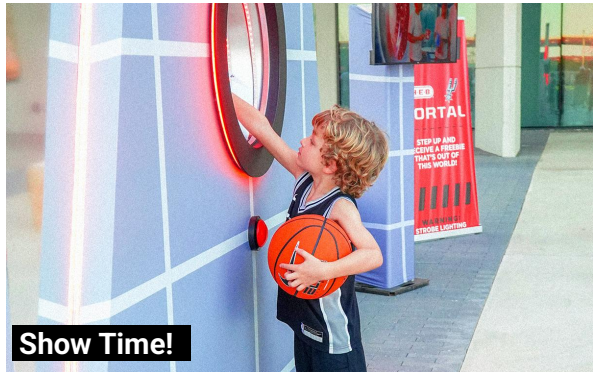

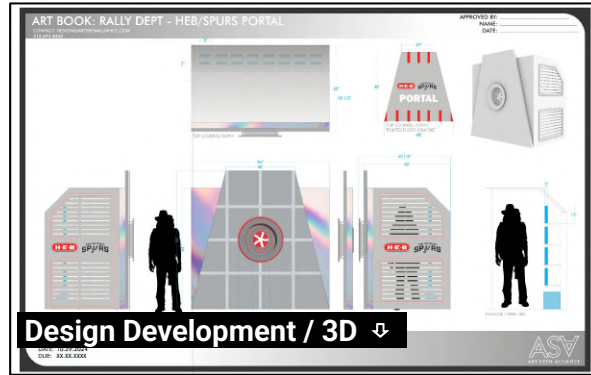

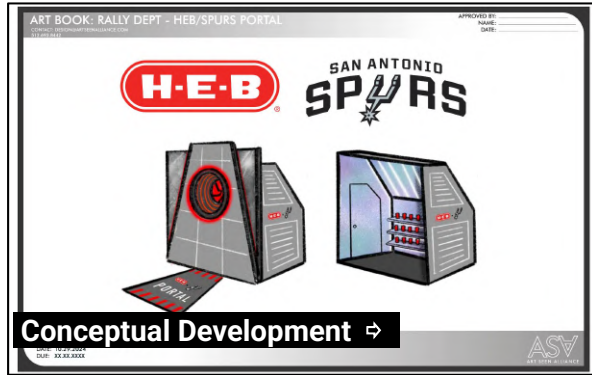

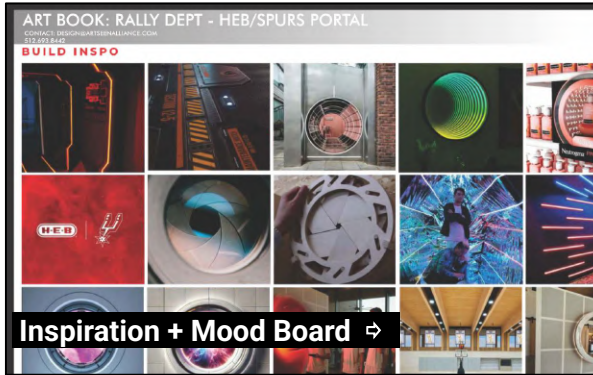

Art Seen Alliance is a event production company with powerful capabilities to bring creative visions to life.

Since 2007, ASA has created memorable experiences with our amazing team of designers, fabricators, fine artists, and event producers.

We offer skill sets in **carpentry, scenic fabrication, prop design, lighting, furniture, upholstery, computer modeling, welding, CNC, and soft goods.**

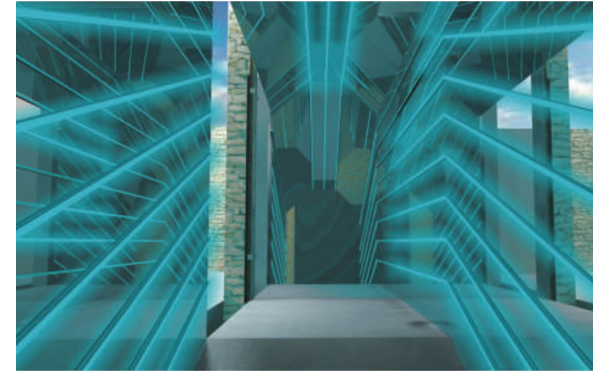

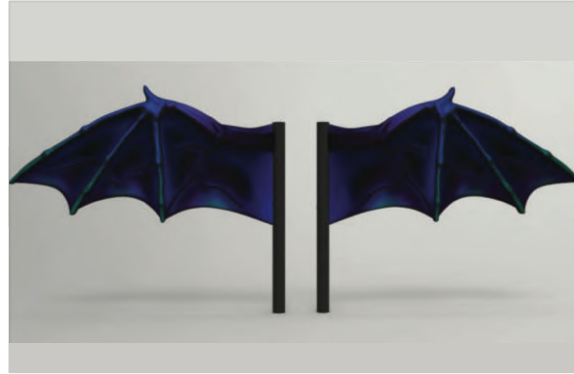

Design Development

ASA can provide **design documents** and photorealistic renderings. Our team is experienced in *Rhino*, *SketchUp*, *Cinema4D*, *Adobe Creative Suite*, *V-Ray*, *SUI Podium*, *Solidworks*, and *Z-Brush*.

After approval, they are brought to life in our warehouse! No matter the scale, we consistently fabricate proposed designs into a beautiful reality.

Props + Decor

We love fabricating unique elements to match creative visions for production. We can design and fabricate props using our capabilities in foam carving, hand sculpting, scenic painting, woodworking, and metalworking.

Our team can support with delivery, installation, and removal for your production.

ASA 3D Rhino Model / Rendering

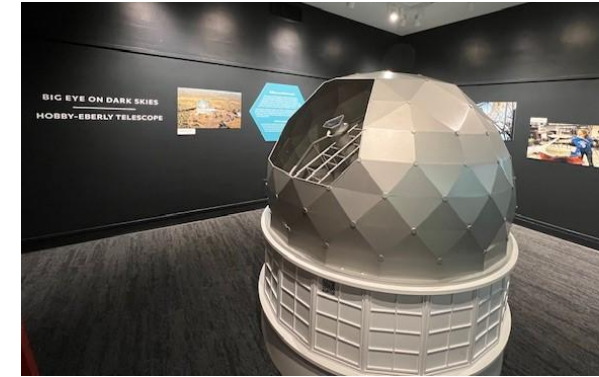

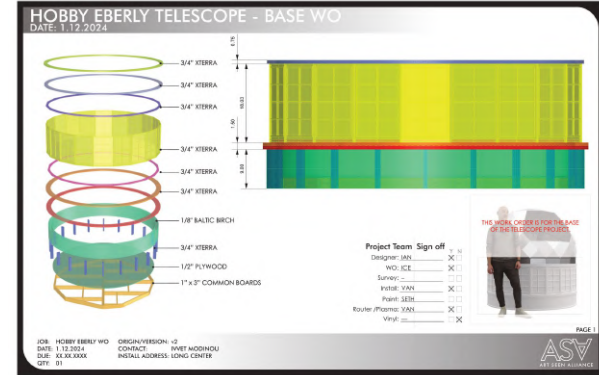

Final Fabrication

Case Study:

Here's our design process for the Hobby-Eberly Telescope.

ASA provided 3D renders on Rhino, detailed work orders, then fabricated and installed this piece for the Texas Eclipse.

Signage + Branded Assets

We can make signage for any setting.

Hanging, mounted, or wayfinding signage for your marquee events. ASA can hand paint, print, bevel, and build signage to your precise vision. We can also incorporate classic neon, faux neon, or illuminated elements.

We do not have an order minimum for custom fabrication.

Custom stage signage, brand activations, and business signage

Scenic Flats

We have a variety of backdrops available to rent.

We'll build to your creative vision! Scenic painting, faux finishes, room build-outs, and more services are available for your filming needs.

Brand Moments

We can collaborate with creative agencies, or propose ideas within your project budget. We've built experiential moments and commercials following brand guidelines.

We've worked with some of the biggest brands in the world, *including:*

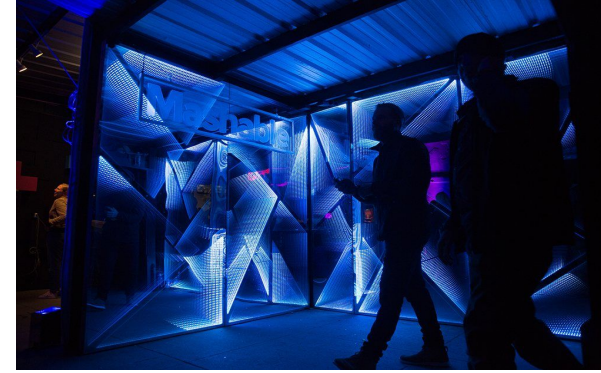

facebook

Activations for Railcar Revival Festival, Game of Thrones, Car2Go, and the Barbie Movie

LED Artistry

We can provide rental LED assets – including *LED swings, seesaws, photo backdrops, dancefloors, Astera tubes, and uplighting for rent* – or, we can work together to dream up new illuminated works of art with **custom LEDs**. We can also support with faux neon for signage or decorative assets.

Our featured LED **Rentals** for lighting enhancements or futuristic fun.

Staging

Many know us for providing high-quality stages. We can *customize stages at any size, with ramps, stair units, supports, and choral risers.*

We can also fabricate unique facades, decorations, and printed scrims to add to the stage ambiance.

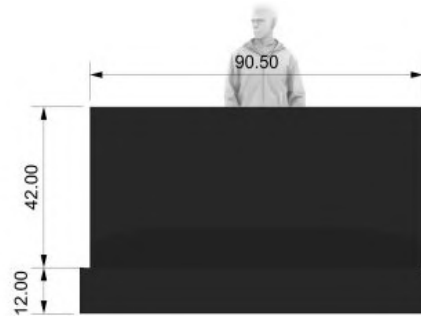

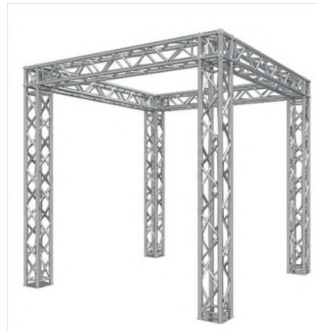

Easily request staging (at any size!) [using this online form.](#)

Production Items

We offer a variety of other items to make your set-up a breeze.

DJ booth, truss, pipe-and-drape, bars, fans, podiums, garment racks, trash cans, cable ramps, barricades, and more.

Prop Rentals

ASA can help fill your space with our existing inventory of decorative assets. We have plenty of holiday, haunted, Tiki, medieval, Barbie, and summer accessories.

These are transported and installed at your convenience.

Decorative assets like our disco cactus, moon bench, longhorn bull, marquee letters, pink palms, and holiday goods.

Furniture Rentals

We also have bars and DJ booths that can be branded with custom vinyl.

Picnic tables, high tops, folding chairs, and high-end furniture is available to rent.

We're here to help elevate your production offerings and support your clients.

With staging, rentals, or custom fabrication, we can make your gathering shine with full service, easy delivery for effortless enhancements.

THANK YOU
