

## SHARP POST FOR TEXAS PRODUCTIONS

Sawtooth is Fort Worth's dailies-to-delivery partner: the secure, modern post-production facility built for productions shooting in Texas. From offline to online, color to conform, we ensure your story, footage, and schedule stay protected every step of the way.

### DAILIES

On-set or Off-site » Flexible options that match your needs.  
Editorial + Viewing » Get footage to editorial and stakeholders fast.

### EDITORIAL

Infrastructure » Your established team, supported by local facilities.  
Offline + Mograph » Craft-driven cuts for film, TV, and commercial work.

### COLOR + FINISH

Grading » Use our team or we'll support your preferred artist.  
Delivery » QC to mastering and delivery, including DCP, IMF, + LTO.

### CONSULTING

Workflow Evaluation » End-to-end audits of your internal pipelines.  
Custom Fixes » Solutions for your team's unique post needs.

### RENTAL SUITES

Offline Workstation » Collaborative space built for creative editorial.  
Online Workstation » Client-ready suite for color, 5.1 surround, + review.
