

# ML CRAFTS SERVICE

We have successfully executed crafts services for all crew sizes - breakfast, lunch, dinner, platters, & special orders - across Texas & Southern California. We have years of crafty experience in television, both single and multi-cam, as well as features.

- Specializing in premium crafts service, on budget
- Serving with integrity, care and attention to detail
- Experienced in sustainability – recycling, composting, reduced plastic, etc.
- Providing healthy alternatives to keep energy high during long shooting hours
- Health-certified trucks and all the necessary equipment to service multiple setups and shows at one time
