

A Total Solution to COVID-19 Compliance for Film & TV Fast, Reliable, Secure Results

COVID-19 TESTING

Pro-Lab Diagnostics delivers a complete dedicated COVID-19 PCR testing program. Highlights we provide include, but not limited to:

- **Speed.** Results available within less than an hour with the majority of results ready in less than 3 hours. >90% of samples received have been resulted within <12 hours.
- **Expertise.** Provide reliable results to over 100,000 individuals in Texas and surrounding states. On-site testing for entire cast and crew. Medically trained staff with coverage in all 50 states that includes RN, PhD, MLS(ASCP), and MDs. Our team also includes COVID Compliance Officers, Health & Safety, and experienced production individuals. We work with Zone A & B to create an efficient workflow. *Scalable* on-site services and mobile lab needs
 - Pro-Lab is a global company that can meet and exceed international requirements
- **Accuracy.** FDA Emergency Use Approval (EUA) >95% accuracy. This includes high throughput PCR and efficient Antigen testing.
- **Pain free experience.** Test utilizes an Anterior Nares Swab (AN) that is quick and easy with little to no discomfort.
- **Reporting.** Pro-Lab handles patient notification, and reporting to the appropriate government agencies for all test results. Reporting is provided through our HIPAA compliant portal, Pro-LIMS, where appropriate administrators have access. Fully customized cloud based software.
- **High Capacity.** Daily volume can be over 5,000 samples a day with capacity of growing to larger volumes, if needed.
- **Meets & Exceeds Requirements:** Licensed and Insured in the US - exceeding all production insurance mandates for COI. Exceeds the following production needs:
 - All above the Line and Below the line cast and crew requirements
 - all production Union guidelines for COVID testing (including but not limited to - SAG, PGA, WGA, DGA, IATSE and Teamster
 - Multiple Corporations to maximize Instate Tax Credit Incentives
 - Easy Weekly Production Invoicing **email: support@pro-lab.us**

Clear to Work solutions that includes daily test results, health surveys, daily temperature monitoring and wellness surveys.
