PROFILE

Introducing Personalized Craft Services, the go-to craft services provider for the movie industry in SLC UT, Las Vegas NV, and Texas. With our expertise and dedication, we specialize in delivering top-notch drop catering and craft services tailored to the unique needs of film productions. From delectable on set meals to a wide array of snacks and beverages, we ensure that every crew member is fueled and satisfied throughout the shoot. Our team of experienced professionals is committed to providing exceptional service, ensuring a seamless and enjoyable experience for both the cast and crew. We are known for our truly personalized and unforgettable craft service experience in the heart of the film industry.

EXPERIENCE

Owner Craft Services, 2007-Present

I have been in the industry for 17 years, with most of my time spent doing Craft Services. I have great pride in the level of service my team and I provide, I love people, the service industry and enjoy meeting the needs of the cast and crew, while staying on budget. My Trucks and trailers are clean, well equipped and traveling is a non-issue.

Teamster local 222, — 2019- Present

I am a licensed Van driver and Teamster with the local 222 for the past 4 years
