

Deborah Gill

Location Scout | Location Manager | Photographer

Based in Texas | Working Nationally | Since 2022

Creative and detail-driven professional with hands-on experience in scouting, securing, and managing diverse filming locations for commercial, branded, social media, editorial, and music content. Adept at balancing artistic vision with production logistics, budget, and permitting requirements. Also an accomplished photographer specializing in location documentation, creative scouting imagery, and behind-the-scenes content. Known for fast turnarounds, clear communication, and a collaborative spirit on set.

Core Competencies:

- Location scouting and management (urban, rural, and natural environments)
- Photographer: reference packages, behind-the-scenes, and editorial
- Permitting coordination (ITC, municipal, drone, and parking)
- Strong knowledge of Texas and Southwest U.S. locations
- Crew, talent, and vehicle access logistics
- Production budgeting and schedule alignment
- Owner negotiations and location agreements
- Drone operations (in progress/licensed if applicable)
- Comfortable working solo or with full production teams
