## PROFESSIONAL SUMMARY

---

Lead Critical Care Paramedic and Firefighter with extensive experience in high-acuity 911 response, federal and tribal healthcare systems, and multi-state contract deployments. Proven leader in advanced life support (ALS), crisis management, and team mentorship across high-pressure environments. Experienced working within IHS, VA, DOD, and civilian EMS systems with a strong on patient advocacy, cultural competence, and operational excellence. Trusted clinician known for adaptability, calm leadership, and mission-driven service.

## WORK EXPERIENCE

---

**Lead Paramedic - Contract, Merci Phoenix** , Nov 2025 - Jan 2026, Peoria, IL

- Advocated for patient safety, dignity, and clear communication during emergent care and hospital handoffs.
- Served as a trusted senior contract clinician, integrating rapidly into a high-volume EMS system during system surges and high-risk incidents.
- Delivered advanced life support (ALS) care in high-acuity 911 and intra-facility environments, managing medical, traumatic, cardiac, and respiratory emergencies across diverse patient populations.

**Lead Paramedic- Federal Government Contractor, Worldwide Medical Staffing/ Indian Health Services**, May 2025 - Nov 2025, Pine Ridge, SD

- Provide advanced life support (ALS) care to Native Americans populations in remote areas as a federally contracted paramedic under the IHS system.
- Respond to medical emergencies, trauma incidents, and inter-facility transports with limited resources in rural and underserved communities.
- Collaborate with nurses, physicians, tribal police, and other federal personnel to ensure culturally sensitive and effective patient care.

**Lead Critical Care Paramedic, Ivologist- Mobile IV Therapy North Texas** , Feb 2025 - May 2025, Dallas, TX

- Delivered concierge-level IV hydration, vitamin therapy, and medical treatments to clients across the Dallas-Fort Worth area, ensuring safe and sterile procedures in non-clinical environments.
- Administered advanced IV infusions including vitamins, electrolytes, anti-emetics and other medications to address overall immune support.

**Lead Critical Care Paramedic, Set Medic (Freelance/Per Diem)**, Aug 2024 - Current, Dallas, TX

- Provide medical and emergency response on film and TV sets, ensuring the safety and well-being of cast and crew during production.
- Conduct risk assessments and implement safety protocols to prevent injuries and handle potential emergencies effectively.

- Manage medical supplies, equipment, and documentation, ensuring compliance with industry standards and regulations.

**Lead Critical Care Paramedic, Priority Care/ Department Of Veterans Affairs, Dec 2023 - May 2025, Dallas, TX**

- Delivered high-acuity prehospital and critical pre-hospital care for U.S. military veterans in a clinical and non-emergency transport setting.
- Collaborate with physicians, nurses and care coordinators to deliver timely, patient-centered treatment aligned with VA protocols.
- Coordinate and perform safe, compassionate transport of veterans to and from routine dialysis appointments, ensuring continuity of care and comfort during each transfer.

**Lead Critical Care Paramedic, Krucial Rapid Response, Sep 2024 - Dec 2024, East Texas**

- Led a team of paramedics and EMTs in providing advanced prehospital care for critically ill and injured patients.
- Adapted to rapidly changing scenarios while providing compassionate care to diverse patient populations across the region.
- Served as a mentor and training officer for new paramedics, ensuring high standards of care.
- Documented patient assessments, treatments, and progress accurately for continuity of care and compliance with medical standards.

**Lead Critical Care Paramedic - Contract, Best Practice Medicine, Feb 2024 - Jun 2024, Oakland, CA**

- Led medical response teams in various settings, ensuring compliance with national EMS protocols.
- Provided advanced airway management, pharmacological intervention, and hemodynamic stabilization.
- Coordinated care and transport strategies with physicians, nurses, and emergency personnel.

**Lead Critical Care Paramedic - Contract, StaffDash, Feb 2023 - Jan 2024, Dallas, TX**

- Responded to high-acuity 911 calls, providing ALS interventions and trauma care.
- Took a lead role in team coordination, mentoring EMTs, and ensuring proper patient documentation.

**HealthCare Coordinator - Contract, Jogan Health, Dec 2022 - Jan 2023, Chicago, IL**

- Assist in emergencies by initiating BLS and ALS as a vital member of the transport team.
- Write and submit accurate incident and patient reports.

**Lead Paramedic - Contract, Krucial Staffing, Aug 2022 - Oct 2022, San Antonio, TX**

- Quickly and efficiently assess a patient's condition and determine the best course of treatment.
- Accompany patients to medical facilities, hospitals, and specialty care clinics.
- Effectively report patient's conditions and observations to physicians, nurses, and other healthcare staff.

**DOD Lead Critical Care Paramedic on Military Bases, United Medevac Solutions, Mar 2022 - Aug 2022, San Antonio, TX**

- Provide non-invasive and invasive treatments during urgent and emergency illnesses and injuries.

- Compassionately communicate with patients and their families, to ensure they are securely placed within the ambulance.
- Determine a patient's medical and traumatic condition then provide care with an EMT and paramedic partner following in-place medical guidelines and online medical control.

**Lead Paramedic, Christus Santa Rosa Hospital Westover Hills, Jun 2021 - Mar 2022, San Antonio, TX**

- Employ basic, advanced abilities and techniques for various medical emergencies.
- Administer medications and communicate directly with nurses and physicians regarding patient care.
- Document and chart patient information, observe patient behavior and provide grooming and bathing assistance.

**Critical Care Tech, UF Health Shands Hospital, Dec 2020 - May 2021, Gainesville, FL**

- Anticipate the needs of patients, staff, and units including care of equipment.
- Provide care for critically injured and ill patients under the supervision of the Registered Nurse.
- Knowledgeable of and follows all hospital policies, and procedures and consistently assists the patient care team with maintaining a clean, well-organized, adequately stocked, and safe patient environment.

**Firefighter/EMT, Alachua County Fire Rescue, Feb 2017 - Oct 2020, Gainesville, FL**

- Assess patient needs and provide life support services during medical emergencies.
- Contain, control, and extinguish fires in hazardous situations.
