

Broadcasting Texas: Amplifying Voices, Telling Stories That Matter

Broadcasting Texas is a 501(c)(3) nonprofit organization dedicated to creating and sharing impactful stories that educate, empower and entertain. From local sports to purpose-driven films addressing critical social issues, our mission is to bring communities closer together through powerful storytelling. With over 30 years of professional video production and broadcasting experience, we deliver content that resonates with diverse audiences.

Our Mission and Vision

At Broadcasting Texas, we believe every voice in the community deserves to be heard. We create programs for students, families, local leaders, and seniors, covering topics that matter most. From high school sports to films addressing distracted driving, suicide, and substance abuse, our work informs, engages, and empowers.

Documentaries and Films That Drive Change

Through powerful storytelling, Broadcasting Texas addresses critical social issues head-on.

- **Reunion** (Feature Film) and **Shattered in Real Life** (Documentary) have reached thousands of viewers, sparking conversations about drunk and distracted driving and inspiring schools and families to take action.
- **Cindy's Silence** (Feature Film) and the **Shattering The Silence** (a Documentary) tackle complex topics like suicide and substance abuse, providing a platform for real-life stories, expert insights, and community-driven solutions.

Building Partnerships

Broadcasting Texas collaborates with a wide range of local organizations to create impactful content and programs:

High School Sports and Student Engagement

Broadcasting Texas is proud to be a hub for high school sports, providing free access to games, highlights, and behind-the-scenes coverage.

- Our partnership with **Woodlands Online** enables live scores, blogs, and photo galleries for sports such as football, basketball, volleyball, and rugby.
- By engaging students directly, we empower them with production skills and opportunities to collaborate on professional-quality broadcasts.

Future Plans for Growth

We're expanding our reach to include health and wellness content, live events, music, and school activities. By telling stories that matter, we aim to foster connection and purpose in every community we serve.
