Yoga with Singer

Instructor

January 2012 - Present (13 years 5 months)
Austin, Texas

Singer Mayberry has been teaching yoga in Austin Texas since 2013 and is recognized by Yoga Alliance as an E-RYT500. With a BA in Fine Arts from The University of Texas at Austin (2007), she has also completed over 800 hours of training in Yoga and Ayurvedic Studies and has taught over 3000 hours of yoga.

Singer's passion is to create inspiring yoga experiences for her Restorative, Hatha & Yin Yoga students. Always paying attention to the details, she finds value in "curating" everything from music playlists, to incorporating the use of essential oils & smudging to help even out the energy in her classes.

From 2010-2017 she owned a multifaceted Art Gallery known as "Black Lagoon" that doubled as a successful Yoga Studio for over 5 years. At its most successful point, Singer's curated yoga program in the gallery was hosting 20 plus weekly classes by a handful of talented local teachers. During this time

she completed her first teacher training with Yoga Illumined and has been teaching full time ever since.

Additional certifications and workshops which Singer has completed include Core Strength Vinyasa with Sadie Nardini (2014), Yin Yoga with Heather Tiddens (2015), Level 1 Restorative Yoga with Judith Lasater (2016), Foundations of Ayurveda certification from The California College of Ayurveda (2018), and a 30 hour certification in Shiatsu Massage with Black Swan Bodywork (2019).
