SUMMARY

Fluidity in photography and film. Strengths lie within portrait photography, imaginative story construction, a general knowledge of production positions, and editing. Skillful in paying close attention to the details on a script and on camera, familiar with remotely focusing a camera, carefully swapping lenses, and post editing for photos and videos. Strong skills within writing, organization, fast paced environments, teamwork, adaptation, and fast learning.

EXPERIENCE

Equipment Room Manager - Stephen F. Austin State University Jun2022-May 2025

- Organized, managed, and checked out film equipment for students.
- Familiarized myself with film equipment such as camera, sound, grip, and electric.
- Guided students in choosing equipment.
- Created a website and ran checkout procedures through the Google Suite.

Director and Editor - Stephen F. Austin State University, "Grow Up" Jan2024-Feb 2025

- Followed the pre-production, production, and post-production process.
- Wrote a feature-length script.
- Fully edited video, sound, color, and animations for a feature length film.

Production Assistant - Quannah Productions, "Anderson County Movie" March 2025

- Worked alongside the second assistant director.
- Placed background, staged the set, checked talent in, and completed other miscellaneous tasks.

1st Assistant Camera - Stephen F. Austin State University, "The Russian at Christmas" Jun2023-Jul 2023

- Manually focused the camera for still, dolly, moving, and handheld shots.
- Routinely cleaned the lenses and helped the camera operator switch between them.

Script Supervisor - Stephen F. Austin State University, "Cut!" Jun2022-Jul 2022

- Reviewed 90 pages of script and created lists of props, actions, and effects.
 - Worked with casts of 1-6 actors.
 - Checked and maintained continuity to assure it would flow correctly in post production.
 - Kept an organized record of shots for each shooting day.
-
