Profile

Writer with several years of non-professional experience and demonstrated success in both creative and technical writing. Also has a wide range of non-writing skills acquired from both non-professional work and earning his BA, including audio editing/design, general design, illustration, and programming. Enjoys working collaboratively and creating stories.

Projects

Unannounced PC Game - *Writer - Bright Harbor Studios - PC*

Oct 2024 - Feb. 2026

- Developed several dozen detailed documents for ongoing game projects, examples including worldbuilding, character, level design, story, and quests outlines.
- Edited and standardized dozens of internal documents to improving clarity, consistency, and usability for cross-team collaboration.
- Partnered with art and design teams to support cohesive storytelling.
- Created reusable writing templates adopted by the team, improving workflow efficiency.
- Adhered to weekly writing deadlines; maintained confidentiality of all project files and creative assets.

NEO's Custom Stuff - *PC, Mod for World of Horror*

May 2024

- Wrote everything in the tone of the base game, while keeping the comedic elements the source material.
- Illustrated 2 enemy and 4 event sprites in the game's 1-bit style from scratch.
- Developed a Photoshop template to convert images to a 1-bit style.
- Learned how to code the unique enemy and encounter files exclusive to World of Horror.

Wallace and His Farm - *PC, GameMaker, Point-and-Click Adventure*

Jan 2023 - May 2023 + Aug 2023 - Dec 2023

- Senior project for earning BA at The University of Texas at Dallas.
- Fully coded, illustrated, developed, and published the game solo.
- Wrote 20+ pages of dialogue and narration; recorded and implemented feedback from peers.

Other Work Experience

Independent Contractor - *Best Brains Learning Center*

Sep. 2025 - Present

- Accurately sorted and recorded inventory of course booklets into company spreadsheets for reports.
- Evaluated students' Math and English workbooks using digital scoring tools.
- Supported teachers with operations and student engagement.
- Guided students through corrections and learning strategies; proctored quizzes.

Crew Member - *Film Alley Georgetown*

Jun 2023 - Aug 2023

- Delivered high-quality customer service in a fast-paced entertainment environment, including box office, food service, and retail operations.
- Managed arcade operations and inventory; ensured proper equipment function and organization.
- Performed opening and closing procedures accurately; maintained clean, functional public spaces.

Sales Associate - *GameXChange*

Jun 2022 - Aug 2022

- Processed sales transactions and organized inventory to maintain efficient floor operations.
- Provided knowledgeable customer support on products, gaming systems, and trade-ins.
- Answered phones, managed displays, and collaborated with store team to meet daily operational needs.
- Researched products' market pricing and evaluated their quality for determining fair resale values.
