Propmaker Gang Boss with 15+ years of experience in the film, television, and live event industries. Proven expertise in large-scale set construction, prop fabrication, rigging, and team leadership for top-tier productions. Adept at interpreting complex blueprints and delivering creative, safe, and efficient build solutions under tight deadlines.

WORK EXPERIENCE

Propmaker Gang Boss — IATSE Local 484 — Nationwide (06/2021 – Present)

Constructed and supervised large-scale propmaking operations for film and TV productions for Netflix, Paramount+, and Max. Managed build crews, ensured quality and safety, and maintained production timelines.

Journeyman Stagehand — IATSE Local 205 — Austin, TX (03/2018 – Present)

Supported large touring and theatrical productions including rigging, carpentry, and stage setup for high-profile events.

Performance Technical Staff — University of Texas — Austin, TX (09/2023 – 03/2024)

Handled technical production, set builds, and stage operations for UT performing arts venues.
