PROFILE

I have been making my living as a lighting technician in the motion picture industry since 1990. I provide grip/electric services primarily for commercials and industrials in the Dallas/Ft Worth area.

RECENT EXPERIENCE

Key Grip, [REDACTED]

Table-top Stage shoot. Food commercial for [REDACTED] Redacted due to NDA.

Industry Consultation, [REDACTED]

Studio design consulting. Provided input, guidance and review for the engineering drawings for mechanical, electrical, and lighting fixture support. Client info redacted due to NDA.

Best Boy Electric, [REDACTED]

Location high speed robotic shoot for major sports drink [REDACTED] with star talent [REDACTED]. Redacted due to NDA

Lighting Director, In The Light

Training video for [REDACTED], the most expensive defense contract in world history. Redacted due to national security concerns raised by final client - Lockheed Martin Security division.

Best Boy Electric, YesGo Productions

I may or may not have provided services on a shoot for a major worldwide manufacturer of small handheld portable communication and information devices. This may or may not have been a shoot to announce the release of a new product. Facts obscured due to corporate espionage and public leak concerns expressed by corporate security team.

Gaffer, Charlie Uniform Tango

Commercial for NTTA (a paid roadway system). Shot using [REDACTED]. Method of shooting redacted due to use of effects that client would prefer to not have revealed to the public, as the on camera talent were not humans, but made to represent them.

Best Boy Grip, [REDACTED] Film Productions.

4 day location and studio shoot for major electric provider in the [REDACTED] area. Production company prefers not to have their info, nor info about their jobs referenced.

Please consider me for your project. I would love to add some obscure or redacted reference from your job to my resume (which I assume has an NDA or a request for confidentiality.)
