## Profile:

I am a San Antonio based working artist, photographer, and cinematographer. I have lived in Los Angeles and in Texas and have worked in productions from the big screen to the phone screen. Along the way I have built a life and a career and met many souls that, like me, share a need to create and express. I am blessed.

Today, I live and work in San Antonio, TX, and travel to set all around the country. I cherish collaborations and welcome new challenges. If you feel a connection, please contact me.
